ACTION REQUESTED BY THE SUPERINTENDENT: That the School Board approve the award of contract for CCTV equipment and services for Anthony Burns Elementary School to Vector Security, 2805 N. Parham Road, Richmond, VA 23294, in the amount of \$64,315.00. .

KEY POINTS:

- Installation includes a complete turnkey digital CCTV-DVR system with 32 cameras, 2 DVRs, and a CD burner that would be compatible with the current CCTV system being used by all Stafford County Public Schools.
- The CCTV system will provide pristine video footage on DVD with 30 days of storage capacity.
- The CCTV system assists in identifying subjects involved in breaking and entering, vandalism, and other criminal acts perpetrated in schools and throughout the Stafford County community. The current CCTV system has dramatically curbed theft of school/personal property, and vandalism. The system also provides an extra measure of safety for after school activities.
- The CCTV system has proven helpful in providing accurate accounts of student/staff interactions during disturbances. It further assists in keeping fraudulent liability claims under control.
- The CCTV system continues to assist the Sheriff's Department criminal investigations by providing video footage utilized to solve crimes more effectively and within a reasonable amount of time. It further provides personnel and asset protection and management control.
- The comprehensive use of CCTV systems clearly illustrates the district's intent to provide utmost safety for staff and students.
- Bid #16032, awarded to Vector Security, has the option for contract renewal until January 6, 2007.

SCHOOL BOARD GOAL: #7 - Provide school environment where teachers are safe to teach and students are safe to learn.
